EDUCATION AND TRAINING:

- 1973 AS in Respiratory Therapy; Madison Area Technical College, Madison, Wisconsin
- 1978 BS in Allied Health Science; Our Lady of Holy Cross, New Orleans Louisiana
- 1983 MHS in Health Science; Louisiana State University Medical Center, New Orleans Louisiana

PROFESSIONAL EXPERIENCE

- 1995 – Present, Clinical Specialist – Medical Specialties, Inc New Orleans, LA
- 1993 – Present, President - TL Forrette & Associates Mandeville, LA
- 2007 – Present. Associate Professor-Adjunct, LSU Health Science Center, New Orleans, LA
- 1993 – Present. Guest Lecturer - Delgado Junior College, New Orleans, LA
- 1979 - 1993 Louisiana State University Medical Center, New Orleans, LA Department of Cardiopulmonary Sciences, Associate Professor
- 1977 – 1979 Delgado Junior College, New Orleans, LA Respiratory Care Technology, Instructor -Director of Clinical Education
- 1976 – 1977 Ochsner Foundation Hospital, New Orleans, LA Department of Respiratory Care, Head Therapist in Adult and Neonatal Intensive Care
- 1975 – 1976 Touro Infirmary, New Orleans, LA. Pulmonary Disease Section Supervisor- Intensive Care Units
- 1973 – 1975 Madison General Hospital, Madison, WI Department of Respiratory Therapy. Staff Therapist

PROFESSIONAL ACTIVITIES

Passed NBRC Board Examinations, Received Registry Number 2476, 1975

Certified CPR Instructor, 1976

Passed NRBC Self Assessment Examinations for Written Registry and Clinical Simulation Examinations, 1978-1982

Louisiana Society for Respiratory Care; Delegate 1981-1982, 1984-1985; Chapter I President 1983, Programs Chairman 1983-1984; Education Committee Chairman 1985-1986.

Louisiana Respiratory Care Educators Consortium; Chairman 1985-1986.

National Board of Respiratory Care; Board of Trustee Appointment 1986 to 1988.

American Association of Respiratory Care; Bylaws Committee 1986.

Managing Partner - Education Technology Group, Inc. Mandeville, LA 1997

Guest Editor – AARC Education Section Bulletin - 2003

PROFESSIONAL SOCIETIES:

American Association for Respiratory Care(AARC)

Louisiana Society for Respiratory Care (LSRC)

Louisiana Lung Association

American Society of Training and Development

Areas of Special Interest and Expertise

Seminar planning and implementation
Presentation coaching/Speaker Training
Public speaking/Keynote Presentations
Sales and communications skills training
Adult education and learning strategies

Invited Lectures and Presentations

Pediatric Respiratory Therapeutics; Super Course, New Orleans, LA 1979

Determining the Etiology of Hypoxemia; LSRC Annual Meeting, Baton Rouge, LA 1980

PEEP and Super PEEP; Super Course, New Orleans, LA 1980

Cardiopulmonary Assessment Techniques; Critical Care Nursing Review Course, New Orleans, LA 1981
Ventilator Wave Forms; Super Course, New Orleans, LA 1982

Hemodynamic Changes during Exercise; Exercise Physiology Seminar, Lafayette, LA 1982

Cardiopulmonary Physiology of the Critically Ill Patient; Critical Care Nursing Review Course, New Orleans, LA 1982

Applications for High Frequency Ventilation; Touro Infirmary, New Orleans, LA 1982

Kitten Intubation Workshop; American Association for Respiratory Therapy - Annual Convention, New Orleans LA 1982

Hemodynamic Profile Studies; Cardiopulmonary Stress Testing Seminar, New Orleans LA 1982

Mechanical Ventilation and Blood Gas Interpretation; Critical Care Nursing Course, Tulane School of Medicine, New Orleans, LA 1982

History of Pulmonary Physiology; Louisiana Society for Respiratory Care - Annual Meeting, Alexandria LA 1983

Competency Based Evaluation; American Association for Respiratory Care - Summer Forum, Niagara Fall, Canada 1983

Implementing a Test Item Descriptor Model for a Respiratory Therapy Educational Program; (abstract presentation) American Association for Respiratory Care - Summer Forum, St. Petersburg, FL 1984

Animal Models in Respiratory Care Education; American Association for Respiratory Care - Summer Forum, Reno NV 1985

Clinical Applications of Pressure Support Ventilation; Evaluating Respiratory Muscle Fatigue; Wisconsin Society for Respiratory Care Annual Meeting, Green Bay WI 1986

A Case Study of Ventilator Weaning Using Extended Mandatory Minute Ventilation with

Inspiratory Assist;(paper presentation) Tri - State Respiratory Therapy Conference
15th Annual Meeting, Biloxi MS 1986

Bedside Metabolic Monitoring; River City Symposium, Jackson FL 1986

Determining the Work of Breathing: Mechanical Ventilation and Other Considerations,
Atlanta GA 1986

Designing and Implementing Effective Workshops; American Association for
Respiratory Care - Annual Convention, Dallas, TX 1986

Mandatory Minute Ventilation: Theory and Application; Bedside Metabolic Monitoring;
High Sierra Critical Care Conference, Reno, NV 1987

Extended Modes of Ventilation; Metabolic Nutritional Assessment and Monitoring; 14th
Annual Region II Meeting, Cincinnati, OH 1987

Contemporary Insights into Metabolic Monitoring Methodology and Results;
Symposium: Advances in Nutritional Management of the Mechanically Ventilated
Patient, Chicago, IL 1987

Non-invasive Cardiac Output Measurements; Nicholls State University Annual Allied
Health Symposium; Thibodaux LA 1987

Bedside Metabolic Assessment: Canadian Society for Respiratory Care - Annual
Convention, Whistler, British Columbia 1987

Mandatory Minute Ventilation; Conference by the Sea, Ocean City, MD 1987

Theory and Application of Bedside Metabolic Monitoring;4th Annual Lake Bistineau
Fall Retreat, Shreveport, LA 1987

Strategies for Revenue Enhancement in a Respiratory Care Educational Program;
American Association of Respiratory Care - Summer Forum, St. Petersburg FL 1987

Mandatory Minute Ventilation; Current thoughts on Mechanical Ventilation - Baylor
University Medical Center, Dallas TX 1987

Metabolic Monitoring: Clinical Applications; Ventilator Monitoring: Application of
Modern Techniques, Daytona Beach FL 1987

Pressure Support Ventilation and Respiratory Muscle Fatigue;1988 Yosemite
Conference, Yosemite CA

Clinical Application of Pressure Support; 1988 LSRC Annual Convention, Alexandria, LA

Pressure Support Ventilation; Nicholls State Symposium, Thibodaux, LA 1988

Work of Breathing and Respiratory Muscle Function; 15th Annual Region II Meeting, Cincinnati, OH 1988

Minisymposium: Guidelines, Ventilatory Dynamics, and Ventilator Performance during Pressure Support. American Association for Respiratory Care (AARC) - Annual Convention. Orlando, FL 1988

Assessment of Muscle Fatigue in the Ventilator Dependent Patient; River City Symposium, Florida Society for Respiratory Care, Jacksonville, FL 1988

Ventilation Methodologies and Monitoring Techniques: New Trends and Clinical Applications; Ohmeda Medical, Miami, FL, Baltimore, MD, Atlanta, GA, Chicago, IL 1989.

Mandatory Minute Ventilation: The New Wage; Pennsylvania Society for Respiratory Care - 24th Annual Meeting and Exhibition, Valley Forge, PA 1989

The Appropriate Use of Pressure Support and Continuous Flow; 16th Annual Region II Meeting, Cincinnati, OH 1989

Pitfalls in Nutritional Assessment; 16th Annual Region II Meeting, Cincinnati, OH 1989

New Modes of Mechanical Ventilation; Conference by the Sea, Maryland - District of Columbia Society Symposium, Ocean City, MD 1989

Oxygen Uptake and Its Relationship to the Work of Breathing; St Elizabeth Hospital Annual Seminar, Beaumont, TX 1989

Pressure Support in the Pediatric Patient; Current Concepts in Pediatric Ventilation, New Orleans, LA 1989

Ventilation Strategies and Monitoring Techniques; River City Symposium - Florida Society for Respiratory Care Jacksonville FL, 1989

Minimum Minute Ventilation and Pressure Support; Current Concepts in Microprocessor

Technology New Orleans, LA 1990

Metabolic Monitoring for the Critically Ill Patient; Third Annual Pulmonary Critical Care Conference Jacksonville, FL 1990

Work of Breathing and Respiratory Muscle Fatigue; 17th Annual Region II Meeting, Cincinnati, Ohio 1990

The Use of Oximetry and Capnography; 17th Annual Region II Meeting, Cincinnati, Ohio 1990

Ventilator Methodology and Monitoring Techniques; 10th Annual Nicholls State University Allied Health Symposium, Thibodaux, LA 1990

Mechanical Ventilation Past, Present and Future; 19th Annual Tristate Respiratory Care Conference, Orange Beach, AL 1990

Physiologic Basis for APRV: Airway Pressure Release Ventilation Seminar; New Orleans, LA 1990

Changes in Pediatric Ventilatory Dynamics during Mechanical Ventilation with PSV: Neonatal and Pediatric Critical Care Minisymposium - AARC 36th Annual Convention; New Orleans, LA 1990

Airway Pressure Release Ventilation; 14th Annual Educational Conference, Kansas Respiratory Care Society, Wichita, Kansas, 1991

Modes of Pressure Ventilation; Anesthesia Conference, Ochsner Foundation Hospital, New Orleans, LA 1991

Current Concepts in Mechanical Ventilation; GBS Seminars, Monroe, LA 1991

Strategies for Using Microprocessor Ventilators; First Annual Irisa Workshop, New Orleans, LA 1991

Marching to the Rhythm of ABG's and Airways; Pulmonary Carnival: A Multi disciplinary Approach To the Critically Compromised Respiratory Patient, Metairie, LA 1992

Pulmonary Mechanics; 14th Annual Iowa Lung Conference, Des Moines, IA 1992

Metabolic and Nutritional Assessment; Chapter 8 LSRC Meeting New Orleans, LA 1992

Respiratory Muscle Function in Health and Disease; 2nd Annual Respiratory Care Seminar, Houma, LA 1992

Work of Breathing: Measurement for the Critically Ill Patient. LSRC Spring Seminar, New Orleans, LA 1993

Mandatory Minute Volume with PSV. Conference by the Sea, Upper Marlboro, MD 1993

Minimum Pressure Ventilation: Lecture Series. Alexandria, Baton Rouge, Hammond, Lafayette, Monroe, LA., Jackson, MS, 1993.

Strategies for Using Pressure Ventilation. Alabama Society for Respiratory Care Fall Conference, Guntersville AL 1993.

Pulmonary Mechanics Monitoring during Mechanical Ventilation. 3rd Annual Pulmonary Conference, Houma LA 1993.

Advanced Concepts in Mechanical Ventilation; Applied Hemodynamic Monitoring. It's A Wrap - Critical Care Nursing Conference, New Orleans, LA 1993.

Minimum Pressure Ventilation and APRV. Intensive Care for RCP's. LSRC Chapter 4 - Lake Charles, LA 1993

MPV: Pressure Control IRV and Airway Pressure Release Ventilation. Mississippi Society for Respiratory Care -Jackson, MS 1993

Strategies for Using Pressure Ventilation. ASRC Fall Conference - Lake Guntersville State Park, AL 1993

Pulmonary Mechanics Monitoring. Region II Annual Conference Cincinnati, OH 1994

Strategies to Wean Mechanical Ventilation Using Pulmonary Mechanics Monitoring. Region II Annual Meeting – Cincinnati, OH 1994

Metabolic Respiratory Assessment I & II. Respiratory Care 2000 - Punta Gorda, FL 1994

Monitoring Strategies for the Critically Ill Patient – New Strategies for Ventilatory Management. Tupelo, MS 1994

Minimum Pressure Ventilation - Tri-State 23rd Annual Meeting Perdido Beach, FL 1994

Clinical Workshop: New Advances in Ventilator Technology Tri-State Annual Meeting.

1994

Pressure Ventilation in Adults - ASRC 23rd Annual Meeting, FT. Smith, Arkansas. 1994

Clinical Applications of Pressure Ventilation – Suncoast Pulmonary Symposium '94.
Captiva, FL 1994

Respiratory Care Practitioners as Consultants and Clinical Specialists - NYSRC 26th
Annual Symposium. Uniondale, NY 1994

Shake, Rattle, & Roll: New Therapies for Pulmonary Clearance LSRC Chpt. 6
Conference Baton Rouge, LA 1994

Therapist Driven Protocols. MSRC Gulfcoast Conference Gulfport, MS 1995

Pulmonary Mechanics Monitoring: Clinical Applications. GSRC Winter Meeting
Augusta, GA 1995
